Dear Saugerties Parents/Guardians:

March 16, 2020

As you know from my March 13th letter, the County Executive, under advisement of the Ulster County Department of Health, ordered the closing of all Ulster County schools through March 27. In addition, the Governor stated that a district must use all of their available emergency closing and vacation days prior to applying for the waiver of the 180 school day attendance requirement.

We currently have two (2) unused emergency (snow) days and seven (7) vacation days that were scheduled for April 6-10, April 13, and May 22. Per the Governor’s order, we must apply these nine (9) days before being eligible for the exemption. In other words, our Spring Break is now from March 17-27. This means there will no longer be a Spring Break from April 6-13. In addition, we will be in session on May 22.

If we close longer than 2 weeks, we will enact our long term educational plan. Information will be posted on our website at that time.

While school is not in session, we will be providing free breakfast and lunch to all children under 18 years of age. Please reference the chart below as to the location that best meets your needs. If any of these locations do not work for you, please call Daniel Erceg at (845) 247-6500 X9004. Volunteers from the district will be distributing the meals at each location.
