

Dear Jr/Sr. High School Parent/Guardian:

This year, as a school community, we have decided to open the Infinite Campus Portal for viewing schedules. Parents/Guardians/Students that have the Infinite Campus portal login can see their student “tentative” schedules for the 2019-2020 school year. This is a change from past practice and we’re hoping this portal becomes a greater means for parents/guardians to be able to obtain academic information to help with their child’s successes.

Based on ongoing feedback from all stakeholders, the goal moving forward is to generate practices and procedures for the dissemination of both Infinite Campus Portal logins, usernames, passwords and information. We believe that the more information parents/guardians have in conjunction with educational staff, we can incorporate more powerful decision making.

In advance, I would like to thank all Saugerties staff, parents/guardians for their patience and understanding as we progress through the Infinite Campus portal expansion to increase parent/guardian access.

If you would like to be part of the Infinite Campus login system, please contact your school office for the forms or visit the link below:
