March 19, 2020

Dear Parents and Guardians,

We thank you for your patience and understanding as we work through this ever changing fluid situation in these unprecedented times. We know you have many questions, and we can assure you that we are working diligently to get answers from our state and local authorities on a daily basis. As of now, schools are closed until April 2, which is the latest order from Governor Cuomo.

In the meantime, our teachers are planning to provide our students with resources and materials so they can have an opportunity to be engaged in staying current with their skills while they are home.

Teachers will begin formally supplying student work to you on March 30th. These instructional resources will be posted on the Saugerties CSD website along with directions on how to access them. We understand that many teachers have already made provisions for student work and have reached out to you, and that is fine.

The purpose of student work is for students to practice their skills, review content, and explore topics while school is closed.

If you need a Chromebook, please complete the application on our district website or select the following link: [Chromebook Application](#)

We are doing everything we can to support our students and families and appreciate your ongoing support and partnership. Please take time to be safe, enjoy your families, and know that we are here for you.

Please continue to check the website as new information can be posted every day.

Sincerely,

Kirk Reinhardt
Superintendent of Schools
Saugerties Central School District
