Dear Parents/Guardians:

Our yearly Panorama Education survey for parents and guardians on school fit, school climate, engagement, grit, and school safety will be active through June 24, 2022. The survey is estimated to take 15 minutes to complete. The information from this survey will be used to drive building goals for the 22-23 school year, just as they were used during this past school year.

Students in grades 3-12 may complete a survey on school safety, sense of belonging, school climate, and expectations over the next two weeks.

Step 1: Link to Guardian Survey: surveys.panoramaed.com/saugertiescsd

Step 2: Enter the appropriate access code. If you have more than one child, you may complete a survey for each child or answer questions from your oldest child's perspective.
