November 3, 2020

Dear Parents and Guardians:

As we head into the winter months, I'd like to address the District's plan regarding the use of snow days, particularly, while we are in hybrid mode.

If there is a weather-related event causing dangerous road conditions or any other conditions that may impact the health and safety of students and staff, the district will continue to use delayed openings/snow days, as we have done in past years.

In any other scenario, if it is deemed possible to operate school remotely (ie. when there is a water main break, etc.), we will do so. If remote instruction needs to be canceled for the day, it will be considered a snow day.

There are six (6) snow days allocated for the 2020-2021 school year. If more than six (6) snow days are used, the make-up days will be taken from spring recess. If less than six (6) snow days are used, the unused days will be added to Memorial Day weekend and/or spring recess (please refer to the district calendar).

As always, the health and safety of students, staff and the community continues to remain a priority.

Sincerely,

Kirk Reinhardt
