

# Global History 10

Mr. Bernard

[nbernard@saugerties.k12.ny.us](mailto:nbernard@saugerties.k12.ny.us)

In this course we will be learning about the history and development of various countries around the world. We will also be confronted with the realization that nations of the world are interdependent. Therefore, in order to fully understand other parts of the world and why they are the way they are today, it is important to study the historical events that shaped their lives and how in times of crisis they come together.

We live in a truly “Global” world today in the sense that nations around the world are interconnected in a variety of ways. By building on your base of skills and knowledge acquired in 9th grade Global, we will explore issues in past world history and piece together these events to better understand the world we live in today. To accomplish this, we must also study the events happening in the world TODAY and analyze how the issues and stories of today have been influenced and shaped by the past.

## **WHAT YOU NEED:**

1. A three ring binder which should be organized chronologically.
2. Loose leaf paper.
3. Pens.

## **ASSIGNMENTS:**

Any work assigned is expected to be completed by the due date. If work is being submitted electronically, it is up to you to meet the deadline. During the period when we are doing remote learning, I will be more lenient with deadlines than when we are in a physical classroom setting. If you are struggling with assignments, please message me and we will work together to get you on the right track.

## **TESTS AND QUIZZES:**

Tests and quizzes will be a percentage of your grade in this course. All of our assessments will be based off of the new framework for the Regents exam that you will take at the end of this course. Tests will use stimulus based multiple choice questions, constructed response questions (CRQ's) and enduring issue essays.

## **MAKE UP WORK:**

It is YOUR RESPONSIBILITY to find out what work you missed while you were absent. Assignments will be posted on google classroom and I encourage you to email me with any specific questions about missing assignments. Missed quizzes/tests must be made up with 3 days of returning to class or it will result in a zero. Please speak with me or email to set up a date and time to make up the assignment.

**CURRENT EVENT ASSIGNMENTS:**

We will complete two current event assignments each marking period. I will post the template on google classroom and explain the assignment.

**Plagiarism/Cheating:**

Plagiarism is the improper use, or failure to attribute, another person's writing or ideas (intellectual property). It can be as subtle as the inadvertent neglect to include quotes or references when citing another source or as blatantly unethical as knowingly copying an entire paper verbatim and claiming it as your own work.

Consequences for cheating/plagiarism:

- Failing grades for all individuals involved
- Detention, in school suspension (to be determined by principal)
