**Objective**  
Students will follow the librarian's directions.

**“I Can” Statement**  
I can follow directions given by my teacher.

**Common Core Standards**  
CC.1.SL.2 Comprehension and Collaboration: Ask and answer questions about key details in a text read aloud or information presented orally or through other media.

**AASL Standards**  
1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.  
2.4.1 Determine how to act on information (accept, reject, modify).

**Procedures**  
1. Seat students in front of interactive whiteboard.  
2. Talk about library rules and emergency procedures.  
3. Show library rules PowerPoint presentation.  
4. Students will choose the proper library behavior on the library rules interactive whiteboard activity.  
5. Practice library exiting procedures.

**Assessment**  
Students will demonstrate that they are able to follow library rules by choosing the correct library behavior on the library rules presentation.

Objective

Students will be able to describe the activities they'll participate in when they come to library class this month.

“I Can” Statement

I can describe this month’s library activities.

Common Core Standards

CC.1.SL.4 Presentation of Knowledge and Ideas: Describe people, places, things, and events with relevant details, expressing ideas and feelings clearly.

AASL Standards

1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

Procedures

1. Seat students at tables.
2. Introduce library centers and assign center rotation groups.
3. Briefly describe each center activity and how students will rotate.
4. Ask students to describe each center activity for review.

Assessment

Students will be able to describe this month's library activities.

Objective
Students will be able to identify the research topic (ocean animal) and help the teacher fill out a KWL chart.

“I Can” Statement
I can help plan the research project about an ocean animal.

Common Core Standards
CC.1.W.7 Research to Build and Present Knowledge: Participate in shared research and writing projects (e.g., explore a number of “how-to” books on a given topic and use them to write a sequence of instructions).

CC.1.W.2 Text Types and Purposes: Write informative/explanatory texts in which they name a topic, supply some facts about the topic, and provide some sense of closure.

AASL Standards
2.1.5 Collaborate with others to exchange ideas, develop new understandings, make decisions, and solve problems.

Procedures
1. Seat students on story rug.
2. Briefly review the difference in fiction and nonfiction texts.
3. Provide a very simple explanation of the project you will complete as a group.
4. Explain that we need to plan our research project, starting with choosing an ocean animal (or another topic of your choice).
5. Begin filling out a KWL Chart with the class on chart paper, whiteboard, or interactive whiteboard (K section only).

Assessment

## AASL Standards
- **1.1.6** Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.
- **1.1.7** Make sense of information gathered from diverse sources by identifying misconceptions, main and supporting ideas, conflicting information, and point of view or bias.

## Procedures
1. Seat students on story rug.
2. Read through a couple of easy nonfiction books about ocean animals (or your chosen topic).
3. Review each book with students and add details to the L section of the KWL chart.

## Assessment
Students will contribute to the class discussion about new facts they've learned.

## Additional Resources
