**Objective**

Students will recall using the school library in the past and discuss things they would like to do during the current school year.

**“I Can” Statement**

I can describe activities I'd like to do in library class during the school year.

**Common Core Standards**

CC.2.SL.1 Comprehension and Collaboration: Participate in collaborative conversations with diverse partners about grade 2 topics and texts with peers and adults in small and larger groups.

**AASL Standards**

3.2.2 Show social responsibility by participating actively with others in learning situations and by contributing questions and ideas during group discussions.

3.3.2 Respect the differing interests and experiences of others and seek a variety of viewpoints.

**Procedures**

1. Seat students on the story rug.
2. Introduce library staff to new students.
3. Discuss things students liked about library class last year.
4. Briefly discuss some of the things we'll do during the upcoming school year.
5. Review procedures for entering and exiting the library.
6. Demonstrate.
7. Practice entering and exiting the room with students.

**Assessment**

Students will demonstrate mastery of entering and exiting the room using the proper procedures.

**Additional Resources**
<table>

</table>

**Objective**  
Students will follow the librarian's directions.  

**“I Can” Statement**  
I can follow directions given by my teacher.  

**Common Core Standards**  
CC.2.SL.5 Presentation of Knowledge and Ideas: Create audio recordings of stories or poems; add drawings or other visual displays to stories or recounts of experiences when appropriate to clarify ideas, thoughts, and feelings.  
CC.2.SL.2 Comprehension and Collaboration: Recount or describe key ideas or details from a text read aloud or information presented orally or through other media.  

**AASL Standards**  
1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.  
4.1.8 Use creative and artistic formats to express personal learning.  

**Procedures**  
1. Seat students in front of Smart Board.  
2. Talk about library rules.  
3. Show library rules PowerPoint presentation.  
4. Ask students to create a poster displaying one of the library's rules.  
4. Practice putting materials away correctly and practice exiting library.  

**Assessment**  
Students will demonstrate an understanding of library rules by creating a poster about what they've learned.  

**Additional Resources**

**Objective**

Students will be able to follow library rules and follow procedures for checking out books.

**“I Can” Statement**

I can follow library rules. I can follow directions for checking out books.

**Common Core Standards**

CC.2.R.I.1 Key Ideas and Details: Ask and answer such questions as who, what, where, when, why, and how to demonstrate understanding of key details in a text.

**AASL Standards**

1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

**Procedures**

1. Review seat assignments.
2. Ask students to name a library rule.
3. Review library checkout procedures: how to return books, how to find a new book, how to use shelf markers, how to scan books, and what to do when you have selected your book/s.
4. Practice proper checkout procedures if time allows.

**Assessment**

Students will name library rules. Students will demonstrate proper checkout procedures.

**Additional Resources**
Objective
Students will listen to a story about using the library and get an introduction to this month’s station activities.

“I Can” Statement
I can name this month’s library activities.

Common Core Standards
CC.2.R.I.1 Key Ideas and Details: Ask and answer such questions as who, what, where, when, why, and how to demonstrate understanding of key details in a text.

CC.2.R.I.3 Key Ideas and Details: Describe the connection between a series of historical events, scientific ideas or concepts, or steps in technical procedures in a text.

AASL Standards
1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

2.1.3 Use strategies to draw conclusions from information and apply knowledge to curricular areas, real world situations, and further investigations.

Procedures
1. Seat students at story rug.
2. Read Our Librarian Won't Tell Us Anything by Toni Buzzeo.
3. Explain that we will be learning how to use the library more effectively during this school year.
4. Assign students to center rotation groups using the group maker on Super Teacher Tools.
5. Briefly explain center rules.
6. Introduce the 3 center activities for the month and demonstrate each activity.

Assessment
Ask students to identify the three station activities.

**Objective**

Students will be able to search the library's catalog and identify the section the book is located in.

**“I Can” Statement**

I can search the library's catalog.

**Common Core Standards**

CC.2.SL.2 Comprehension and Collaboration: Recount or describe key ideas or details from a text read aloud or information presented orally or through other media.

**AASL Standards**

1.1.4 Find, evaluate, and select appropriate sources to answer questions.

**Procedures**

1. Students will go to their appropriate center.
2. Explain how the library catalog works and show students how to log onto it at the computer stations.
3. Demonstrate a couple of searches for the students, pointing out the call numbers.
4. Go to find each book as a group.
5. If time allows, students should attempt a search on their own. Help them locate the book they're looking for.

**Assessment**

Students will identify a book's call number using the online catalog.

**Additional Resources**

**Objective**  
Students will be able to describe the role of an author and an illustrator.

**“I Can” Statement**  
I can describe the job of an author and illustrator.

**Common Core Standards**  
CC.2.L.4 Vocabulary Acquisition and Use: Determine or clarify the meaning of unknown and multiple-meaning words and phrases based on grade 2 reading and content, choosing flexibly from an array of strategies.

**AASL Standards**  
1.1.2 Use prior and background knowledge as context for new learning.

**Procedures**  
1. Students will go to their appropriate center.
2. Have a stack of books available for students to identify the author and illustrator of each. Make sure the author and illustrator is obvious on each book.
3. Distribute the Blank Book Template and allow students to draw a picture of one of the books.
4. They should include the author and illustrator name on the cover, as well as the title.

**Assessment**  
Students will correctly identify the author and illustrator of each book.

**Additional Resources**  
Books with author and illustrator name prominently displayed

**Objective**

Students will be able to identify characters, setting, and major events of a story.

**“I Can” Statement**

I can name characters, setting, and major events in a story.

**Common Core Standards**

CC.2.R.L.7 Integration of Knowledge and Ideas: Use information gained from the illustrations and words in a print or digital text to demonstrate understanding of its characters, setting, or plot.

CC.2.R.L.5 Craft and Structure: Describe the overall structure of a story, including describing how the beginning introduces the story and the ending concludes the action.

**AASL Standards**

4.1.3 Respond to literature and creative expressions of ideas in various formats and genres.

**Procedures**

1. Students will go to their appropriate center.
2. Have a selection of easy books available for students to choose from.
3. Students will read one book with a partner (or partners) and fill out the Story Elements Graphic Organizer when they finish.

**Assessment**

Students will correctly complete the Story Elements Graphic Organizer.

**Additional Resources**

**Objective**

Students will be able to determine a story's moral with assistance.

**“I Can” Statement**

I can identify a story's moral.

**Common Core Standards**

CC.2.R.L.2 Key Ideas and Details: Recount stories, including fables and folktales from diverse cultures, and determine their central message, lesson, or moral.

**AASL Standards**

4.1.2 Read widely and fluently to make connections with own self, the world, and previous reading.

4.1.3 Respond to literature and creative expressions of ideas in various formats and genres.

**Procedures**

1. Students will go to their appropriate center.
2. Read several short fables aloud to students.
3. After each story ends, ask students about the story elements.
4. Explain what a moral is and prompt the students to help you determine the moral for each story.
5. It may be helpful to record each story's title and moral on chart paper or a whiteboard.

**Assessment**

Students will name the moral of each story with prompting.

**Objective**  
Students will be able to identify text features and describe their purpose.

**“I Can” Statement**  
I can identify text features.

**Common Core Standards**  
CC.2.R.I.5 Craft and Structure: Know and use various text features (e.g., captions, bold print, subheadings, glossaries, indexes, electronic menus, icons) to locate key facts or information in a text efficiently.

**AASL Standards**  
1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

**Procedures**  
1. Students will go to their appropriate center.  
2. Have an assortment of nonfiction books available.  
3. Distribute the Text Features Activity.  
4. Go through each type of text feature with the students. Ask students to find an example of each in their book.  
5. Students should describe the purpose of each text feature.

**Assessment**  
Students will identify text features and describe their purpose.

**Additional Resources**  
Text Features Activity
Objective
Students will be able to identify the author's purpose.

“I Can” Statement
I can identify the author's purpose for writing.

Common Core Standards
CC.2.R.I.6 Craft and Structure: Identify the main purpose of a text, including what the author wants to answer, explain, or describe.

AASL Standards
1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

Procedures
1. Students will go to their appropriate center.
2. Distribute the Author's Purpose Activity.
3. Students will read each text and place the story under its appropriate category.

Assessment
Students will place the texts under the appropriate category based on the author’s purpose.

Additional Resources
Author’s Purpose Activity

### Objective

Students will be able to read the sight words.

### "I Can" Statement

I can read sight words.

### Common Core Standards

CC.2.R.F.3.f Phonics and Word Recognition: Recognize and read grade-appropriate irregularly spelled words.

### AASL Standards

1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

### Procedures

1. Students will go to their appropriate center.
2. Open the Sight Word Games document on each computer station.
3. Students will choose games to play from the links in the document.

### Assessment

The online games give immediate feedback to students so it will be clear if their answer is right or wrong.

### Additional Resources

**Objective**  
Students will be able to describe the purpose of technical procedures.

**“I Can” Statement**  
I can explain the purpose of technical procedures.

**Common Core Standards**  
CC.2.R.I.3 Key Ideas and Details: Describe the connection between a series of historical events, scientific ideas or concepts, or steps in technical procedures in a text.

**AASL Standards**  
1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

2.1.3 Use strategies to draw conclusions from information and apply knowledge to curricular areas, real world situations, and further investigations.

**Procedures**  
1. Seat students at tables.
2. Ask students if they know the meaning of the word "procedure."
3. If not, explain what a procedure is and read a few examples from the Procedure Examples document.
4. Ask students to give some examples of other tasks that need procedures. Record these ideas on chart paper or the interactive whiteboard.

**Assessment**  
Students will accurately describe a procedure and give an example of other procedures.

**Additional Resources**  
Procedure Examples document
### Objective
Students will be able to help the teacher develop a list of procedures for a chosen task.

### “I Can” Statement
I can help my teacher describe a procedure.

### Common Core Standards
CC.2.R.I.3 Key Ideas and Details: Describe the connection between a series of historical events, scientific ideas or concepts, or steps in technical procedures in a text.

### AASL Standards
1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

2.1.3 Use strategies to draw conclusions from information and apply knowledge to curricular areas, real world situations, and further investigations.

### Procedures
1. Seat students at tables.
2. Briefly review the procedures we learned about last week.
3. Decide on a simple procedure to write as a class.
4. Write the procedure on chart paper or the interactive whiteboard.
5. If time allows, type the procedure on the computer.

### Assessment
Students will help write the class procedure.

#### Common Core Standards

- **CC.2.R.I.3** Key Ideas and Details: Describe the connection between a series of historical events, scientific ideas or concepts, or steps in technical procedures in a text.
- **CC.2.W.6** Production and Distribution of Writing: With guidance and support from adults, use a variety of digital tools to produce and publish writing, including in collaboration with peers.

#### AASL Standards

- **1.1.6** Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.
- **2.1.3** Use strategies to draw conclusions from information and apply knowledge to curricular areas, real world situations, and further investigations.

#### Procedures

1. Seat students at tables.
2. Students will complete their procedure from last week.
3. Once the written version is complete, students should type their procedure with their partner/s.

#### Assessment

Students will type the procedure they have written.

**Objective**

Students will begin working on a group assignment with guidance from the teacher.

**“I Can” Statement**

I can use the online encyclopedia.

**Common Core Standards**

- CC.2.W.7 Research to Build and Present Knowledge: Participate in shared research and writing projects (e.g., read a number of books on a single topic to produce a report; record science observations).
- CC.2.W.8 Research to Build and Present Knowledge: Recall information from experiences or gather information from provided sources to answer a question.

**AASL Standards**

1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

2.1.5 Collaborate with others to exchange ideas, develop new understandings, make decisions, and solve problems.

**Procedures**

1. Seat students at tables.
2. Distribute the Group Research Assignment.
3. Begin guiding students through the assignment using the online encyclopedia.

**Assessment**

Students will participate in the research project and offer proper responses when prompted.

ABC Order Sort Activity
Objective

Students will be able to identify characters, setting, and major events of a story.

“I Can” Statement

I can name characters, setting, and major events in a story.

Common Core Standards

CC.2.R.I.1 Key Ideas and Details: Ask and answer such questions as who, what, where, when, why, and how to demonstrate understanding of key details in a text.

CC.2.R.I.3 Key Ideas and Details: Describe the connection between a series of historical events, scientific ideas or concepts, or steps in technical procedures in a text.

AASL Standards

1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

2.1.3 Use strategies to draw conclusions from information and apply knowledge to curricular areas, real world situations, and further investigations.

Procedures

1. Students will go to their appropriate center.
2. Display the Story Elements document on each computer station.
3. Students will choose an activity from the links on the document.

Assessment

The online games give immediate feedback to students so it will be clear if their answer is right or wrong.

Additional Resources
