Saugerties Central School District

Library Curriculum & Lesson Guidelines

Third Grade
<table>
<thead>
<tr>
<th>Grade Level</th>
<th>3</th>
<th>Month</th>
<th>1</th>
<th>Week</th>
<th>1</th>
</tr>
</thead>
</table>

**Objective**  
Students will recall using the school library in the past and discuss things they would like to do during the current school year. Students will have an assigned seat and go to that seat when directed.

**“I Can” Statement**  
I can describe activities I'd like to do in library class during the school year. I can go to my assigned seat when directed by my teacher.

**Common Core Standards**  
CC.3.SL.1.d Comprehension and Collaboration: Explain their own ideas and understanding in light of the discussion.

**AASL Standards**  
1.1.2 Use prior and background knowledge as context for new learning.

3.1.2 Participate and collaborate as members of a social and intellectual network of learners.

**Procedures**  
1. Seat students at tables according to seating chart.
2. Introduce library staff to new students.
3. Discuss things students liked about library class last year.
4. Review procedures for entering and exiting the library.
5. Practice entering and exiting the room with students.

**Assessment**  
Students will demonstrate mastery of entering and exiting the room using the proper procedures. Students will go to their assigned seat when entering the room.

**Additional Resources**
<table>

</tr>
</thead>
</table>

**Objective**  
Students will create bookmarks that describe library rules.

**“I Can” Statement**  
I can create a bookmark about library rules.

**Common Core Standards**

- CC.3.SL.4 Presentation of Knowledge and Ideas: Report on a topic or text, tell a story, or recount an experience with appropriate facts and relevant, descriptive details, speaking clearly at an understandable pace.
- CC.3.SL.2 Comprehension and Collaboration: Determine the main ideas and supporting details of a text read aloud or information presented in diverse media and formats, including visually, quantitatively, and orally.

**AASL Standards**

- 1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.
- 1.2.3 Demonstrate creativity by using multiple resources and formats.

**Procedures**

1. Seat students in assigned seats at tables.
2. Talk about library rules.
3. Show library rules PowerPoint presentation.
4. Ask students to create bookmarks displaying one of the library's rules.
5. Practice putting materials away correctly
6. Practice exiting library.

**Assessment**

Students will demonstrate an understanding of library rules by creating bookmarks about what they've learned.

**Additional Resources**

- Library rules Prezi
- Library rules bookmarks template
Objective
Students will be able to recall book care rules and create a poster for younger students.

“I Can” Statement
I can create a poster about book care.

Common Core Standards
CC.3.SL.4 Presentation of Knowledge and Ideas: Report on a topic or text, tell a story, or recount an experience with appropriate facts and relevant, descriptive details, speaking clearly at an understandable pace.
CC.3.SL.2 Comprehension and Collaboration: Determine the main ideas and supporting details of a text read aloud or information presented in diverse media and formats, including visually, quantitatively, and orally.

AASL Standards
1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.
1.2.3 Demonstrate creativity by using multiple resources and formats.

Procedures
1. Seat students in assigned seats at tables.
3. Read Penelope Popper, Book Doctor aloud.
4. Ask students to create bookmarks displaying one of the library’s rules.
5. Ask comprehension questions.
6. Students will use blank paper/poster board to create a book care poster for younger students.

Assessment
Students will recall a book care rule and create a poster depicting that rule.

Additional Resources

**Objective**

Students will be able to search the OPAC and use proper checkout procedures.

**“I Can” Statement**

I can search the OPAC. I can demonstrate proper checkout procedures.

**Common Core Standards**

CC.3.W.8 Research to Build and Present Knowledge: Recall information from experiences or gather information from print and digital sources; take brief notes on sources and sort evidence into provided categories.

**AASL Standards**

1.1.4 Find, evaluate, and select appropriate sources to answer questions.

2.1.2 Organize knowledge so that it is useful.

**Procedures**

1. Direct students to their assigned seats.
2. Do a short demonstration on how to search OPAC.
3. Introduce reading incentive programs and review rules.
4. If time allows, students should practice OPAC searches at the computer stations.

**Assessment**

Students will demonstrate their understanding of checkout procedures by choosing the appropriate behaviors and describing why other behaviors are undesired.

**Objective**

Students will be able to describe this month's library activities.

**“I Can” Statement**

I can describe this month's library activities.

**Common Core Standards**

CC.3.SL.3 Comprehension and Collaboration: Ask and answer questions about information from a speaker, offering appropriate elaboration and detail.

**AASL Standards**

1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

1.2.1 Display initiative and engagement by posing questions and investigating the answers beyond the collection of superficial facts.

**Procedures**

1. Seat students at tables.
2. Assign center rotation groups using the group creator tool from Super Teacher Tools.
3. Briefly discuss the sections of the library.
4. Use the Basic Shelving PowerPoint presentation to discuss shelving.
5. Explain this month's center activities and demonstrate the online games.
6. Ask students to describe each center.

**Assessment**

Students will describe the upcoming center activities.

**Additional Resources**

**Objective**  
Students will be able to retell the key details of a text.

**“I Can” Statement**  
I can recall the details of a text I've read.

**Common Core Standards**  
CC.3.R.I.2 Key Ideas and Details: Determine the main idea of a text; recount the key details and explain how they support the main idea.

**AASL Standards**  
1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

**Procedures**  
1. Students will go to their appropriate center.  
2. Choose a short story to read aloud.  
3. Distribute the Story Retelling Activity (or display it on the interactive whiteboard).  

**Assessment**  
Students will participate in retelling the story in the proper order.

**Additional Resources**

**Objective**

Students will be able to identify story elements in a short story.

**“I Can” Statement**

I can identify story elements.

**Common Core Standards**

- CC.3.R.L.3 Key Ideas and Details: Describe characters in a story (e.g., their traits, motivations, or feelings) and explain how their actions contribute to the sequence of events.
- CC.3.R.L.9 Integration of Knowledge and Ideas: Compare and contrast the themes, settings, and plots of stories written by the same author about the same or similar characters (e.g., in books from a series).

**AASL Standards**

- 1.1.7 Make sense of information gathered from diverse sources by identifying misconceptions, main and supporting ideas, conflicting information, and point of view or bias.

**Procedures**

1. Students will go to their appropriate center.
2. Choose several short books by the same author.
3. Students will work with a partner to read their chosen book and fill in the Story Elements Graphic Organizer.
4. If time allows, students will compare their results with another team's.

**Assessment**

Students will correctly identify story elements.

**Additional Resources**

- Story Elements Graphic Organizer

**Objective**

Students will be able to identify the main idea of a passage.

**“I Can” Statement**

I can identify the main idea.

**Common Core Standards**

CC.3.R.I.2 Key Ideas and Details: Determine the main idea of a text; recount the key details and explain how they support the main idea.

**AASL Standards**

1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

1.1.7 Make sense of information gathered from diverse sources by identifying misconceptions, main and supporting ideas, conflicting information, and point of view or bias.

**Procedures**

1. Students will go to their appropriate center.
2. Distribute the Main Idea Highlighting Activity.
3. Read the first passage together. Students will highlight the passage according to the directions.
4. Students will finish the page independently or with the help of a partner. Offer assistance when needed.

**Assessment**

Students will highlight supporting details and write the main idea on the line provided.

**Objective**
Students will be able to use a sample glossary to find the meaning of unknown words.

**“I Can” Statement**
I can use the glossary to find the meaning of unknown words.

**Common Core Standards**
- CC.3.L.4.d Vocabulary Acquisition and Use: Use glossaries or beginning dictionaries, both print and digital, to determine or clarify the precise meaning of key words and phrases.
- CC.3.L.4 Vocabulary Acquisition and Use: Determine or clarify the meaning of unknown and multiple-meaning word and phrases based on grade 3 reading and content, choosing flexibly from a range of strategies.

**AASL Standards**
- 1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

**Procedures**
1. Students will go to their appropriate center.
2. Distribute the Glossary Activity.
3. Students will follow directions and complete the activity with partners or individually.
4. If time allows, students can write additional questions to quiz their classmates.

**Assessment**
Students will answer the questions correctly using the glossary.

**Additional Resources**

**Objective**  
Students will be able to use the dictionary to find information about words.

**“I Can” Statement**  
I can use the dictionary to find information about words.

**Common Core Standards**  
CC.3.L.2.g Conventions of Standard English: Consult reference materials, including beginning dictionaries, as needed to check and correct spellings.

**AASL Standards**  
1.1.1 Follow an inquiry-based process in seeking knowledge in curricular subjects and make the real world connection for using this process in own life.

1.1.2 Use prior and background knowledge as context for new learning.

**Procedures**  
1. Students will go to their appropriate center.
2. Distribute the Dictionary Activity and dictionaries.
3. Help students find words efficiently to complete the activity.

**Assessment**  
Students will compare answers with a classmate to make sure they agree. If not, they will discuss and make changes as necessary.

**Objective**  
Students will be able to identify elements of fables and folk tales.

**“I Can” Statement**  
I can identify elements of fables and folk tales.

**Common Core Standards**  
CC.3.R.L.2 Key Ideas and Details: Recount stories, including fables, folktales, and myths from diverse cultures; determine the central message, lesson, or moral and explain how it is conveyed through key details in the text.

**AASL Standards**  
1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

4.1.3 Respond to literature and creative expressions of ideas in various formats and genres.

**Procedures**  
1. Students will go to their appropriate center.
2. Choose several fables and/or folk tales for students to read. You can use books from the library or choose stories from the Fable and Folk Tale Examples document.
3. Students will read each story and fill out the Fable/Folk Tale graphic organizer.

**Assessment**  
Students will correctly identify elements of fables and/or folk tales.

### Objective
Students will be able to identify elements of myths.

### “I Can” Statement
I can identify elements of myths.

### Common Core Standards
CC.3.R.L.2 Key Ideas and Details: Recount stories, including fables, folktales, and myths from diverse cultures; determine the central message, lesson, or moral and explain how it is conveyed through key details in the text.

### AASL Standards
1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

4.1.3 Respond to literature and creative expressions of ideas in various formats and genres.

### Procedures
1. Students will go to their appropriate center.
2. Choose several myths for students to read. You can use books from the library or choose stories from the Myth Examples document.
3. Students will create trading cards based on characters from the myths they read.

### Assessment
Students will identify and illustrate characters and settings from the myths they read.

### Additional Resources
Myth Trading Card Template
Objective
Students will be able to identify elements of fables, folk tales, and myths.

“I Can” Statement
I can identify elements of fables, folk tales, and myths.

Common Core Standards
CC.3.R.L.2 Key Ideas and Details: Recount stories, including fables, folktales, and myths from diverse cultures; determine the central message, lesson, or moral and explain how it is conveyed through key details in the text.

AASL Standards
1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.
4.1.3 Respond to literature and creative expressions of ideas in various formats and genres.

Procedures
1. Students will go to their appropriate center.
2. Display the Fables, Folk Tales, and Myths Computer Activities document on each student computer station.
3. Students will choose computer activities from the document.

Assessment
The online games give immediate feedback to students so it will be clear if their answer is right or wrong.

**Objective**

Students will continue the partner research project.

**“I Can” Statement**

I can work with my partner to answer questions using the online encyclopedia and websites.

**Common Core Standards**

- **CC.3.W.7** Research to Build and Present Knowledge: Conduct short research projects that build knowledge about a topic.
- **CC.3.W.8** Research to Build and Present Knowledge: Recall information from experiences or gather information from print and digital sources; take brief notes on sources and sort evidence into provided categories.

**AASL Standards**

- **2.1.2** Organize knowledge so that it is useful.
- **2.1.4** Use technology and other information tools to analyze and organize information.

**Procedures**

1. Students will complete the Partner Research Organizer using the online encyclopedia.
2. If there are answers they cannot find, help students find reputable websites to fill in the missing information.

**Assessment**

Students will accurately answer the questions listed on the partner research assignment.
