Saugerties Central School District

Library Curriculum & Lesson Guidelines

Fourth Grade

Adapted from Elementary Librarian.com and IFC
### Grade Level 4  Month 1  Week 1

**Objective**

Students will recall using the school library in the past and discuss things they would like to do during the current school year. Students will have an assigned seat and go to that seat when directed.

**“I Can” Statement**

I can describe activities I'd like to do in library class during the school year. I can go to my assigned seat when directed by my teacher.

**Common Core Standards**

- CC.4.SL.1.b Comprehension and Collaboration: Follow agreed-upon rules for discussions and carry out assigned roles.
- CC.4.SL.1.c Comprehension and Collaboration: Pose and respond to specific questions to clarify or follow up on information, and make comments that contribute to the discussion and link to the remarks of others.

**AASL Standards**

- 3.2.1 Demonstrate leadership and confidence by presenting ideas to others in both formal and informal situations.
- 3.2.2 Show social responsibility by participating actively with others in learning situations and by contributing questions and ideas during group discussions.

**Procedures**

1. Seat students at tables according to seating chart.
2. Introduce library staff to new students.
3. Discuss things students liked about library class last year.
4. Review procedures for entering and exiting the library.
5. Practice entering and exiting the room with students.

**Assessment**

Students will demonstrate mastery of entering and exiting the room using the proper procedures. Students will go to their assigned seat when entering the room.

</table>

**Objective**
Students will create bookmarks that describe library rules.

**“I Can” Statement**
I can correctly identify library rules.

**Common Core Standards**
CC.4.R.I.1 Key Ideas and Details: Refer to details and examples in a text when explaining what the text says explicitly and when drawing inferences from the text.

**AASL Standards**
1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.
3.1.3 Use writing and speaking skills to communicate new understandings effectively.

**Procedures**
1. Seat students in their assigned seats at tables.
2. Talk about library rules.
3. Show library rules PowerPoint presentation.
4. Play Library Rules Jeopardy in teams or as a class.
5. Practice exiting library.

**Assessment**
Students will demonstrate their understanding of library rules by correctly answering the game questions.

**Additional Resources**
- Library rules Prezi
- Library Rules Jeopardy game

</table>

**Objective**

Students will be able to recall book care rules and create a short story about book care for younger students.

**“I Can” Statement**

I can write a short story about book care.

**Common Core Standards**

CC.4.W.1.a Text Types and Purposes: Introduce a topic or text clearly, state an opinion, and create an organizational structure in which related ideas are grouped to support the writer's purpose.

CC.4.W.2 Text Types and Purposes: Write informative/explanatory texts to examine a topic and convey ideas and information clearly.

**AASL Standards**

2.1.2 Organize knowledge so that it is useful.

3.1.3 Use writing and speaking skills to communicate new understandings effectively.

**Procedures**

1. Seat students at tables.
2. Ask students to supply book care rules and record their responses on chart paper or the interactive whiteboard.
3. Students will write and illustrate a short story about book care. The story can be based on a real experience or a fictitious one.
4. If time allows, students will share their stories with their classmates.

**Assessment**

Students will demonstrate their understanding of book care by writing a relevant story.

Objective
Students will be able to describe what we'll learn in library class this month.

“I Can” Statement
I can describe this month's library class activities.

Common Core Standards
CC.4.SL.1 Comprehension and Collaboration: Engage effectively in a range of collaborative discussions (one-on-one, in groups, and teacher-led) with diverse partners on grade 4 topics and texts, building on others' ideas and expressing their own clearly.

CC.4.SL.1.a Comprehension and Collaboration: Come to discussions prepared, having read or studied required material; explicitly draw on that preparation and other information known about the topic to explore ideas under discussion.

AASL Standards
3.2.2 Show social responsibility by participating actively with others in learning situations and by contributing questions and ideas during group discussions.

Procedures
1. Seat students at tables.
2. Assign center rotation groups using the group creator tool from Super Teacher Tools.
3. Briefly describe each center activity and display the Call Numbers Presentation on the interactive whiteboard.
4. Demonstrate the online games.
5. Ask students to describe each center.

Assessment
Students will describe the upcoming center activities.

**Objective**

Students will be able to identify the main idea and supporting details.

**“I Can” Statement**

I can identify the main idea and supporting details of a passage.

**Common Core Standards**

CC.4.R.I.2 Key Ideas and Details: Determine the main idea of a text and explain how it is supported by key details; summarize the text.

**AASL Standards**

1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

2.1.2 Organize knowledge so that it is useful.

**Procedures**

1. Students will go to their appropriate center.
2. Distribute the Main Idea Passages and Main Idea Graphic Organizers to students.
3. Read through each passage as a group and complete the graphic organizer together.

**Assessment**

Students will correctly identify the main idea and supporting details of each passage.

**Additional Resources**

**Objective**  
Students will be able to find entry words in the dictionary using guide words.

**“I Can” Statement**  
I can find a word in the dictionary quickly.

**Common Core Standards**  
CC.4.R.I.1 Key Ideas and Details: Refer to details and examples in a text when explaining what the text says explicitly and when drawing inferences from the text.

**AASL Standards**  
2.1.1 Continue an inquiry-based research process by applying critical thinking skills (analysis, synthesis, evaluation, organization) to information and knowledge in order to construct new understandings, draw conclusions, and create new knowledge.

**Procedures**  
1. Students will go to their appropriate center.  
2. Distribute the Dictionary Challenge Activity.  
3. Students will find each word in their dictionary and record the appropriate information in the blanks provided.

**Assessment**  
Students will find words in the dictionary using guide words.

**Objective**

Students will be able to define different types of figurative language and give an example of each.

**“I Can” Statement**

I can define different types of figurative language and give examples.

**Common Core Standards**

- **CC.4.R.I.1** Key Ideas and Details: Refer to details and examples in a text when explaining what the text says explicitly and when drawing inferences from the text.
- **CC.4.R.L.4** Craft and Structure: Determine the meaning of words and phrases as they are used in a text, including those that allude to significant characters found in mythology (e.g., Herculean).

**AASL Standards**

- **2.1.1** Continue an inquiry-based research process by applying critical thinking skills (analysis, synthesis, evaluation, organization) to information and knowledge in order to construct new understandings, draw conclusions, and create new knowledge.
- **2.1.2** Organize knowledge so that it is useful.

**Procedures**

1. Students will go to their appropriate center.
2. Distribute the Figurative Language Activity Instructions.
3. Students will follow the instructions to create Figurative Language Flash Cards using the Figurative Language Flash Card Template.
4. Students will quiz their classmates using their examples of figurative language on the cards.

**Assessment**

Students will provide an appropriate example for each type of figurative language.

**Additional Resources**

- Figurative Language Activity Instructions
- Figurative Language Flash Card Template

**Objective**

Students will be able to use context clues to determine the meaning of unknown words.

**“I Can” Statement**

I can use context clues to determine the meaning of unknown words.

**Common Core Standards**

CC.4.R.I.4 Craft and Structure: Determine the meaning of general academic and domain-specific words or phrases in a text relevant to a grade 4 topic or subject area.

CC.4.R.L.1 Key Ideas and Details: Refer to details and examples in a text when explaining what the text says explicitly and when drawing inferences from the text.

**AASL Standards**

1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

2.1.1 Continue an inquiry-based research process by applying critical thinking skills (analysis, synthesis, evaluation, organization) to information and knowledge in order to construct new understandings, draw conclusions, and create new knowledge.

**Procedures**

1. Students will go to their appropriate center.
2. Display the Context Clues Activities document on each student computer station.
3. Students will choose activities from the links on the document.

**Assessment**

The online games give immediate feedback to students so it will be clear if their answer is right or wrong.

CC.4.R.I.3 Key Ideas and Details: Explain events, procedures, ideas, or concepts in a historical, scientific, or technical text, including what happened and why, based on specific information in the text.

**AASL Standards**
2.1.1 Continue an inquiry-based research process by applying critical thinking skills (analysis, synthesis, evaluation, organization) to information and knowledge in order to construct new understandings, draw conclusions, and create new knowledge.

1.1.7 Make sense of information gathered from diverse sources by identifying misconceptions, main and supporting ideas, conflicting information, and point of view or bias.

**Procedures**
1. Seat students at tables or with groups/partners.
2. Distribute the Biography Project Organizer.
3. Students will fill in parts of the Biography Project Organizer using library books.

**Assessment**
Students will fill in parts of the Biography Project Organizer using information from books.

**Additional Resources**

Biography Project Organizer
| Grade Level | 4 | Month | 7 | Week | 1 |

**Objective**

Students will continue their research.

**“I Can” Statement**

I can research using the online encyclopedia.

**Common Core Standards**

- **CC.4.R.I.9** Integration of Knowledge and Ideas: Integrate information from two texts on the same topic in order to write or speak about the subject knowledgeably.
- **CC.4.R.I.1** Key Ideas and Details: Refer to details and examples in a text when explaining what the text says explicitly and when drawing inferences from the text.

**AASL Standards**

- **1.1.7** Make sense of information gathered from diverse sources by identifying misconceptions, main and supporting ideas, conflicting information, and point of view or bias.
- **2.1.1** Continue an inquiry-based research process by applying critical thinking skills (analysis, synthesis, evaluation, organization) to information and knowledge in order to construct new understandings, draw conclusions, and create new knowledge.

**Procedures**

1. Students will use an online encyclopedia to fill in missing information on the Biography Project Organizer.

**Assessment**

The teacher will monitor student progress and help with the research process as necessary.

**Objective**
Students will be able to describe what we'll learn in library class this month.

**“I Can” Statement**
I can describe this month’s library class activities.

**Common Core Standards**
CC.4.SL.1 Comprehension and Collaboration: Engage effectively in a range of collaborative discussions (one-on-one, in groups, and teacher-led) with diverse partners on grade 4 topics and texts, building on others’ ideas and expressing their own clearly.

CC.4.SL.1.a Comprehension and Collaboration: Come to discussions prepared, having read or studied required material; explicitly draw on that preparation and other information known about the topic to explore ideas under discussion.

**AASL Standards**
3.2.2 Show social responsibility by participating actively with others in learning situations and by contributing questions and ideas during group discussions.

**Procedures**
1. Seat students at tables.
2. Review center rotation groups.
3. Briefly describe each center activity and demonstrate the online games.
4. Ask students to describe each center.

**Assessment**
Students will describe the upcoming center activities.

**Additional Resources**

</table>

**Objective**

Students will be able to identify the main idea, supporting details, and theme of myths.

**“I Can” Statement**

I can identify the main idea, supporting details, and theme of a myth.

**Common Core Standards**

CC.4.R.I.2 Key Ideas and Details: Determine the main idea of a text and explain how it is supported by key details; summarize the text.

CC.4.R.L.9 Integration of Knowledge and Ideas: Compare and contrast the treatment of similar themes and topics (e.g., opposition of good and evil) and patterns of events (e.g., the quest) in stories, myths, and traditional literature from different cultures.

**AASL Standards**

1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

**Procedures**

1. Students will go to their appropriate center.
2. Print some Greek myths of your choice. You can find links on the Myth Sources documents.
4. Students will complete the graphic organizer individually or with partner/group.

**Assessment**

Students will correctly identify the main idea, supporting details, and theme of each story.

**Additional Resources**

- Myth Sources document
- Myth Elements Graphic Organizer

**Objective**  
Students will be able to describe a favorite book.

**“I Can” Statement**  
I can describe a favorite book.

**Common Core Standards**  
CC.4.R.L.1 Key Ideas and Details: Refer to details and examples in a text when explaining what the text says explicitly and when drawing inferences from the text.

CC.4.R.L.3 Key Ideas and Details: Describe in depth a character, setting, or event in a story or drama, drawing on specific details in the text (e.g., a character's thoughts, words, or actions).

**AASL Standards**  
1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

2.1.2 Organize knowledge so that it is useful.

**Procedures**  
1. Students will go to their appropriate center.
2. Distribute the My Favorite Book report template.
3. Students will fill in the appropriate information about the best book they've read during the current school year. We will type a report based on this information next month.

**Assessment**  
Students will fill in appropriate information from a favorite book in preparation for typing a report next month.

**Additional Resources**  
My Favorite Book report template
**Objective**

Students will be able to identify elements of poetry using online games.

**“I Can” Statement**

I can identify elements of poetry.

**Common Core Standards**

CC.4.R.L.10 Range of Reading and Complexity of Text: By the end of the year, read and comprehend literature, including stories, dramas, and poetry, in the grades 4-5 text complexity band proficiently, with scaffolding as needed at the high end of the range.

CC.4.R.L.2 Key Ideas and Details: Determine a theme of a story, drama, or poem from details in the text; summarize the text.

**AASL Standards**

1.1.6 Read, view, and listen for information presented in any format (e.g., textual, visual, media, digital) in order to make inferences and gather meaning.

**Procedures**

1. Students will go to their appropriate center.
2. Display the Poetry Activities document on each student computer station.
3. Students will choose an activity from the list.

**Assessment**

The online games give immediate feedback to students so it will be clear if their answer is right or wrong.

**Additional Resources**

**Objective**

Students will be able to correctly put books on the library's shelves.

**“I Can” Statement**

I can put books away correctly on the library's shelves.

**Common Core Standards**

CC.4.SL.1.d Comprehension and Collaboration: Review the key ideas expressed and explain their own ideas and understanding in light of the discussion.

**AASL Standards**

2.1.1 Continue an inquiry-based research process by applying critical thinking skills (analysis, synthesis, evaluation, organization) to information and knowledge in order to construct new understandings, draw conclusions, and create new knowledge.

**Procedures**

1. Review call numbers and shelving techniques with students.
2. Allow students to put books away on the shelves.
3. Do a spot check to ensure books are in the proper location.

**Assessment**

Students will put books away in their proper location in the library.
